Re: Tennessee River pH monitoring near Area 3 – Closed CKD Disposal Site

Dear Mr. Moose:

Please note the following quarterly in-situ pH measurements for the 2nd Quarter of 2015 (samples taken on May 14, 2015) from the established points upstream and downstream of the closed disposal site are as follows:

Upstream	7.86
Downstream	10.60

If you have any questions or comments, please feel free to contact me at your convenience at (423) 886-0845 or laura.macpherson@buzziunicemusa.com.

Respectfully,

Laura Macpherson, CHMM
